Re: Docket No. F-2010 – Connecticut Siting Council Review of the Ten-Year  
Forecast of Connecticut Electric Loads and Resources.

Dear Mr. Phelps:

The following is intended to fulfill such obligations as Connecticut Resources Recovery Authority (CRRRA) may have regarding the filing of a report as described in Connecticut General Statute 16-50r. While it is our desire to be comprehensive, we can only make statements in reference to subjects for which we have first hand knowledge.

1. Tabulation of Estimated Peak Loads, Resources and Margins

CRRRA owns two generating units (5U and 6U) located at the South Meadows Facility in Hartford, Connecticut. The Claimed Capability of each unit is as follows:

	Summer Claimed Capability	Winter Claimed Capability
South Meadows 5U	25.596 MW	29.230 MW
South Meadows 6U	27.113 MW	30.445 MW

2. Data on Energy Use and Peak Loads for the Five Preceding Calendar Years

CRRRA's net production of electricity is as follows:

	South Meadows Combined Electricity Production (5U & 6U)
2005	411,792 MWhrs
2006	405,636 MWhrs
2007	397,567 MWhrs
2008	372,601 MWhrs
2009	401,010 MWhrs

3. A List of Generating Facilities in Service

Mid-Connecticut Project South Meadows Facility

4. A list of scheduled generating facilities for which property has been acquired, for which certificates have been issued, and for which certificate applications have been filed.

None

5. A list of planned generating units at plant locations for which property has been acquired, or at plant locations not yet acquired, that will be needed to provide estimated additional electrical requirements, and the location of such facilities.

None

6. A list of planned transmission lines on which proposed route reviews are being undertaken or for which certificate applications have already been filed.

None

7. A description of the steps taken to upgrade existing facilities and to eliminate overhead transmission and distribution lines in accordance with the regulations and standards described in section 16-50t.

None

8. Private power producers.

Not applicable.

Please call me at (860) 757-7707 with any questions.

Very truly yours,
